# Player Financial Aid Form

Please attach an essay at least 1 page but no longer than 2 pages to this form. This essay should answer the following question:

Why are you interested in playing volleyball for Beaufort Elite Volleyball Club?

Scholarship families are required to meet certain obligations in order to qualify for a financial aid scholarship. These include having a positive attitude towards staff, coaches, parents and other players. Scholarship athletes should also be in attendance and participate in all fundraisers, spirit nights, practices, tournaments and any other Beaufort Elite events unless excused prior by your coach.

Beaufort Elite Volleyball Club looks at every individual financial aid application on a case by case basis. In some cases an athlete may or may not receive a full scholarship for their club dues. It is also Beaufort Elites right to deny any athlete of a financial aid scholarship if they do not meet the criteria set forth by our Board. Applying for a financial aid scholarship does not affect a players selection or position on a team.

You will be notified within 2 weeks of the deadline with the boards decision.

Please submit all responses to your coach. You may also scan all documents clearly into a PDF and email it to [lesliewebb@beaufortelite.org](mailto:lesliewebb@beaufortelite.org)
